

**Bill Getman**  
LPCC Board Treasurer

Bill and his wife Sylvia arrived in the Park during the summer of 2016, moving from Northern Maine by the Canadian border. Moving South usually includes warmer weather, but not this move. Retiring as the General Manager of BigRock Mountain in Maine, there were 4 things Bill and Sylvia wanted to do living in Saranac Lake: downhill ski, kayak, hike, and take up curling. Joining the Lake Placid Curling Club, located in Saranac Lake, seemed like the perfect activity to add to their journey.

*Favorite curling moment.....* An unlikely 5 points during the 8th end to tie our Canadian opponents. Resulting in a one rock shootout and a surprising victory that contributed to the Club retaining the coveted Hoot Trophy 2019. Great game, great people, good fun.
