The club made quite a commitment to our friends at the Saranac Civic Center and to offer curling this year. If you would like to include a \$50, \$100, \$150 or other tax-deductible donation, to help with our finances in this crazy year, then please include that with your circled (above) membership dues. Any donation that you make, even if not curling this year, is greatly appreciated and tax deductible. Please make your membership, or donation check out to **Lake Placid Curling Club Inc.**, and mail your check (& forms to):
